

**the classics**

**martini** \$14  
as sophisticated & stylish as it comes - premium white spirit of your choice will make this drink hard to put down. Served dry, extra dry or dirty

**cosmo** \$14  
smirnoff black vodka, cointreau & fresh cranberry juice chilled over ice with a squeeze of fresh citrus, tightly strained & served with an orange flame

**caipiroska** \$13  
freshly muddled lime, brown sugar, crushed ice and triple distilled vodka - this classic drink is so smooth and refreshing

**daiquiri** \$12  
these frozen treats are made with the freshest fruits blended together with bacardi for ultimate perfection - mango, strawberry & lychee are available, as well as other seasonal fruits

**mojito** \$13  
bacardi, rich brown sugar & fresh mint leaves served ice cold & topped with soda to cleanse your pallet as you see where the night will take you

**bloody edge** \$12  
perfect in the morning if you're a little under the weather, or anytime as a cheeky beverage - enjoy the wholesome taste of tomato juice and vodka, seasoned with celery salt, pepper and your chosen level of extra bite - also available as a virgin

**long island iced tea** \$15  
a tribute to the five white spirits - vodka, gin, cointreau, bacardi and tequila - all this over ice with fresh citrus fruits and a splash of coke isn't to be taken lightly

**some fresh ideas**

**zensation** \$13  
zen green tea and berry liqueur muddled with fresh ginger and shaken over ice with fragrant citrus zest, served long - this inspired delight is the perfect way to unwind

**angusts apple** \$13  
pear infused vodka & apple schnapps with a hint of red chilli, splashed with freshly chilled apple juice

**watercrush** \$14  
freshly muddled watermelon pieces, shaken over ice with a trio of refreshing liqueurs and served long, this revitalizing taste sensation makes a great start to the night

**miami lychee** \$13  
muddled lychees and raspberries with lychee liqueur and chambord, finished with pineapple juice

**midori splice** \$13  
it's all about layers & flavours with midori, malibu, pineapple juice & a healthy dollop of coconut cream - you will be doing well to only have one!
